## From the Desk of the CEO

I will be honest in saying I did not want to focus on anything ‘COVID-19’ related in my article. I wanted to share all the exciting and fun things occurring on campus which perhaps others do not get to see. However, the COVID-19 topic continues to develop, and we want to make sure everyone is aware of the recent changes. Plus, it is very good and much anticipated news! As spring approached, high resident COVID-19 vaccination rates and decreasing COVID-19 cases allowed long term care facilities, and here on the Eventide Campus, to begin more indoor visitation. This was welcome news for residents and families and it brought hope to see loved ones reunited. Frankly, the staff missed visitors probably just as much as residents did. Many of the reunions have certainly filled our hearts and left us speechless.

Now more than ever before, the Eventide Campus Team spends countless hours identifying a balance of keeping those we serve safe while enhancing their wellbeing. It certainly has been an all-in team approach. Eventide recently completed the 16 week AHRQ ECHO National

Nursing Home COVID-19 Action Network Certification Program. Project ECHO, in partnership with the federal Agency for Healthcare Research and Quality (AHRQ) and the Institute for Healthcare Improvement (IHI), is a virtual peer learning community allowing long term care providers to develop best practices with COVID-19 preparedness, safety, and infection control.

Graduates

Our graduates were on the Eventide campus for a short stay and have returned home. It was a pleasure to serve you!

Eventide:

Juanita Bachmann  
John Hoemann  
LaJune Miller

Construction on the new nursing facility continues to show progress. Each day is one step closer to moving day, and the reality filled with excitement is starting to set in. Just think, we have spent our last Valentine’s Day, our last St Patrick’s Day, and our last Easter in the current building! As I did a walkthrough of the construction site yesterday, all I could imagine was how the residents, staff, and visitors are going to love this home. I could not be more proud of what this type of facility will mean to our community. In closing, thank you for all the continued support and words of encouragement you have shown the Eventide Campus. This truly does mean the world to our team.

In Memoriam

Our thoughts and prayers remain with the families and friends of those who have made their final journey.

THURSDAY, AUGUST 12, 2021

Eventide A Senior Living Community

Eventide Staff News

by Human Resource Coordinator,  
Pat Schechinger

ANNIVERSARIES

“Congratulations” to the following Eventide Campus Staff for working one year or more:

**APRIL:**  
Doreen Adams, Director of Nursing, 14 years  
Dustyn Bengford, Head Custodian Heritage Heights & Realife Cooperative, 11 years  
Pat Clarey, Certified Medication Aide, 31 years  
Mike Johnson, Dietary Assistant, 15 years  
Carol Lamaak, Domestic Aide, 2 years  
Deb Steinkuehler, Dietary Supervisor, 27 years  
Jasmine Casillas, Certified Nursing Assistant, 1 year  
Chris Ernsperger, Certified Nursing Assistant, 9 years  
Christine Kragel, Community Relations & Foundation Director, 7 years  
Josie Schultz, Tenant Companion, 1 year  
Kara Webb, RN, Director of Assisted Living, 11 years

**MAY:**  
Bob Adams, Maintenance Supervisor, 17 years  
Susana Nieto, Registered Nurse, 7 years  
Billie Mead, Environmental Aide, 5 years  
Krystal Terwilleger, Cook, 4 years

**JUNE:**  
Miriam Lorenzo, Certified Nursing Assistant, 2 years  
Carol Quail, Tenant Companion, 8 years  
Kathy Tech, Certified Medication Aide, 35 years  
Jessica Pauley, Licensed Practical Nurse, 2 years  
Erin Staley, Licensed Practical Nurse, 4 years

NEW STAFF

*We welcome the following new staff members to Eventide Nursing Home:*  
**DIETARY DEPARTMENT:**  
Brandi French, Assistant Cook  
**NURSING DEPARTMENT:**  
Tamira Knight, Certified Nursing Assistant  
Evelyn Lopez, Certified Nursing Assistant  
Whitney Muck, Certified Nursing Assistant  
Candy Salazar, Memory Lane Extra Eyes  
Amalia Velasquez, Licensed Practical Nurse

*We welcome the following new staff members to Silveridge Assisted Living:*  
**NURSING DEPARTMENT:**  
Mayra Zarazua, Tenant Companion

A Year in the Life ...

**Submitted by Amy Schultz, Eventide Administrator**

On March 10, 2020, we stood in the Main Dining Room after Bingo and explained to the residents, volunteers, and families that we needed to close our doors due to the coronavirus. We explained this was to help flatten the curve and we would reassess 2 weeks later. Little did any of us know, we were in for a world changing pandemic.

One year later, we can be proud of the strength of our staff to endure all the changes, the losses, and the uphill battles. We can be proud of the resiliency of our residents enduring all the changes from isolating in rooms, staying in their households, no in person visitors and learning to visit with Zoom or Face-time on iPads to the changes of reopening for activities and dining. All these changes were made to protect our Residents and each other.

A little timeline to remember what this past year had in store for all of us.

**MARCH**  
Eventide closed the doors to visitors. We learned what the words social distance meant; no more than 10 in a group; designate someone to go to grocery store. We started screening employees when they arrived at work. The Isolation/Quarantine area is set up on the back side of Legacy Center for any positive cases and new admissions. Mail and all packages for residents is held for 24 hours before it is delivered.

**APRIL**  
The CDC suggests cloth face masks are to be worn out in public areas. In the nursing facility, PPE such as surgical face masks and eye protection must be worn for all patient cares. As of 4/6/20 there are 4 positive cases in Crawford county. Residents start “in room dining”. Governor Reynolds urges people to stay home and stay safe. Instruction to staff to stay 6 feet apart in break room and to alternate break times.

**MAY**  
Additional symptoms of COVID are released by the CDC. Since the start of the pandemic, there have been 30 COVID19 tests completed on campus with 3 positive tests in employees and the remaining are negative. The (NP) nasal swab and/or serology testing for antibodies will be available on campus and results will be known in 72 hours – employees are highly encouraged to be tested. Crawford County cur-

rently has 149 cases and there is talk of reopening businesses in the community.

Crawford Co has 336 positive cases (+177 cases since last week). State Surveyors were here for our first infection control survey and there were no concerns/citations.

**JUNE** – We truly had a good summer considering we are in a pandemic.

CDC and CMS releases phased reopening guidelines for nursing facilities. We encourage staff, visitors, and families to reach out to Governor’s office to encourage conservative use of PPE so we can move to Phase 2 of reopening. There are now 654 positive cases in Crawford County.

**JULY**  
New guidance is released for outdoor visits so Eventide and Silveridge can start scheduling visits. There are now 672 positive cases in Crawford County. Eventide moves to Phase 2 of reopening guidelines. Hallelujah! The beautician is allowed back into the nursing facility. There are 21 nursing facilities in Iowa in outbreak status – Eventide is not one of them.

**AUGUST**  
There are now 721 positive cases in Crawford County. New guidance released says residents can go out for medical appointments and not quarantine for 14 days. Nursing facility has one COVID positive staff, the first positive since May. Nursing facility remains in Phase 2 and indoor compassionate care visits need to be scheduled.

**SEPTEMBER**  
There are now 861 positive cases in Crawford county. We will begin testing all nursing facility employees routinely. Guidance is updated to follow county positivity rate to determine if the residents can have outdoor visits or indoor visits. Activities and meals may happen in dining areas with social distancing of residents.

**OCTOBER**  
There are now 1152 positive cases in Crawford County. There are now nine residents that have tested positive in nursing facility. We expanded quarantine/isolation area on Legacy Center from smoke door to smoke door to accommodate any positive cases and any new admissions. Residents are eating in their rooms and activities are going from room to room and the second infection control survey by the State of Iowa at nursing facility results in no con-

cerns or citations. We celebrated Halloween with staff going room to room in Halloween costumes and handing out goodies to the residents.

**NOVEMBER**  
There are now 1469 positive cases in Crawford county. Routine COVID testing of employees at nursing facility is twice a week. One household becomes a quarantine area – we are limiting the staff that enter that household. We have 7 positive residents currently. Governor Reynolds says the COVID 19 SURGE is at a dangerous level in Iowa. The third infection control results in no concerns or citations.

**DECEMBER**  
There are now 1834 positive cases in Crawford county. All households except Traditional Ridge have positive cases in residents. We celebrated Christmas with resident presents and of course Santa.

Eventide received news that the vaccine will be available in January.

**JANUARY**  
There are now 2161 positive cases in Crawford county. During the first offering of the COVID vaccine, 48 residents and 47 of staff/volunteer/contract staff received the vaccine. All residents tested negative, and all households can go out for meals!

**FEBRUARY**  
There are now 2368 positive cases in Crawford county. More individuals on campus receive both doses of vaccine. Activities and Church on Sundays has resumed – of course, with social distancing and masks worn by all.

**MARCH**  
There are now 2743 positive cases in Crawford county. Eventide can start indoor visits per CMS guidance when Crawford County is in the yellow or green zone or under 10% positivity rate and when out of outbreak status. Friends and families can now visit in person with residents but need to follow the Core Principles of Infection Prevention with focus on use of hand sanitizer by visitors and residents; and visitors need to be able to tolerate wearing a well-fitting face mask. Visitors need to be screened and we need to limit the number of visitors in our building at one time. As more people get the vaccine, we look for more guidance from CMS and DIA to allow our residents and staff more freedom.

# Hello Everyone!

Submitted by Robin Schiltz,  
Eventide Activity Director

Being in Activities goes something like this: We wake up in the morning, plan our whole day in our heads, get to work, and an hour later everything changes! This is what keeps us coming back! The challenge is what drives us, and seeing our residents happy is our reward! They have rolled with every change, and been patient through each one! Truth be told, they have worried and cared for us just as much as we have worried and cared for them. We have made even closer bonds with each of them throughout the past year. Although big parties were what we once thrived on, Covid-19 and all of the rules and regulations, was a blessing in disguise, we were able to spend quality time to create stronger bonds with our residents!

In the midst of all of this, we have had a lot of great times! We have played some goofy games, served a lot of fun snacks, and completed crafts in small groups. We even had a carnival on National Carnival Day, thanks to Tamara and Connie going the extra mile with all of the prep work involved. Rick Powell was such a good sport and sang for us from behind the plexi-glass wall! So, you see, when life deals you LEMONS, you make LEMONADE!

We have also been very fortunate to be allowed church services again on Sundays. Hopefully, communion will commence in April. We can only have small groups, but those who are unable to attend our live church service, are offered the opportunity to view a service on a DVD. Thanks so much to all of the churches for airing your services on Ch. 13, or on you-tube, so our residents can continue to worship the Good Lord! Our Clergy and our faith in God have been key to surviving the past year!

Also, I want to send a big shout-out to all of our co-workers - they remind me of Timex watches - THEY TAKE A LICKIN', AND KEEP ON TICKIN'! Seriously, we have all become a closer family through this past year, and have learned that no matter which department you are in, we can all work together to keep things moving forward!

I am not going to list activities for each month, just yet, as we still do not know day to day what our guidance will allow. One way, or another, we will have monthly entertainment, we will be able to go outdoors to view our new building, and we will find great ways to spend our time together.

Submitted by Deb Steinkuehler,  
Dietary Supervisor

## Brownies

### BROWNIE INGREDIENTS

- |                |           |
|----------------|-----------|
| 6 eggs         | 1 c milk  |
| ¾ c butter     | 2 c flour |
| 2 T shortening | ¾ c cocoa |
| 3 c sugar      |           |

### BROWNIE DIRECTIONS

Cream the first 4 ingredients thoroughly and then add the rest. Pour onto a cookie sheet. Bake at 325 degrees for 15 minutes and then check

### FROSTING INGREDIENTS

- 2 c sugar  
½ c butter  
½ c milk  
1 ½ c chocolate chips

### FROSTING DIRECTIONS

Melt butter, milk and sugar in a double boiler. Bring to a good boil and then add chocolate chips and stir until melted. Frost immediately.

# Moving On...

Submitted by Kara Webb, RN, Director of Assisted Living

At times this last year feels 'lost'  
To the worry, to all the missed time.  
Every day we think about all the changes  
Some of our thoughts are full of "WHY?!"  
Yet there's an invisible presence within these walls  
One we tend to forget is here.  
Resilience. Fortitude. Benevolence.  
And this presence has overcome the fear.  
We're now moving forward.  
We continue to push ahead and dream.  
We look to the future with hopeful conception.  
We see more visits with family, happier days, even a new building.  
We will never forget all we've lost,  
Only shift focus to 'forward' and keeping ahead of the curve.  
We'll never stop striving as providers  
To deliver superior care to all those we serve.  
So pause and reflect poignantly on this past year  
The time has come to leave it behind.  
We have a mission and vision to continue to labor toward  
Every day from morning to EVENTIDE.

Heritage Heights  
Tenants celebrated  
St. Patrick's Day  
with entertainment  
by tenant, Belinda  
Cano, great food,  
and even a con-  
test for the 'Most  
Green'. Vi Brown,  
was the winner,  
and was dressed  
in green from  
head to toe!

# \$3,800 Raised for the New Nursing Facility

The employees of the Eventide campus recently wrapped up a successful fundraiser for the Grow Bold With Us Campaign and the new nursing facility building project. With the support of the community, over \$3,800 was raised at the Staley's Chicken Dinner. The community came out in droves, and the Eventide team ended up serving almost 800 people! We are grateful for the shared goal of creating a home-like environment for our nursing home residents. Thank you to all the volunteers, and community who supported this fundraiser!

The Activity Team at Eventide brought a carnival to the residents! They had a blast playing the games like Plinko, Pluck a Duck and the Toilet Paper Toss. Taking goofy photos was the cherry on top!

# A Lasting Tribute

Submitted by Christine Kragel, Community Relations and Foundation Director

Memorial gifts are a meaningful way to remember a loved one's legacy or express your appreciation for someone special. Your gift will make a difference in the lives of others on behalf of a loved one today, tomorrow and far into the future all while supporting the mission of the Eventide Senior Living Community. Losing a loved one is difficult, but many families find comfort in honoring those they have lost by requesting memorial contributions be made to the Eventide Foundation. You can invite others to give by asking the person arranging the funeral or memorial service to insert the following phrase in the obituary notice: In lieu of flowers, the family requests that memorial gifts be made to the Eventide Foundation at 114 South 20th Street, Denison, IA 51442. Donation envelopes are also available upon request at Eventide and our local funeral homes. Thank you for considering the Eventide Foundation in your memorial giving

# Long Term Care Medicaid Programs for the Elderly

Submitted by Tina Thompson, Business Office Manager

Medicaid is a nationwide program that offers health insurance to low-income residents of the United States. While the federal government sets the parameters of this program, each state is permitted to operate its Medicaid program as they see fit within those given parameters. In Iowa, Medicaid is a managed care program that is administered by the Iowa Department of Human Services' division of Iowa Medicaid Enterprise (IME).

The Iowa Medicaid program, also known as Title 19, will cover the cost of nursing facility care, in addition to limited home and community-based services. There are several different Medicaid long-term care programs for which Iowa seniors may be eligible. These programs have slightly different financial and medical eligibility requirements, as well as varying benefits.

Facility Medicaid

The Facility Medicaid program provides assistance to those who reside in a nursing facility. This is an entitlement program, meaning that anyone who meets the eligibility requirements is offered assistance. When receiving facility assistance, all of the recipient's income, with the exception of a monthly personal needs allowance of \$50 and a spousal income allowance (if applicable), will go

towards the cost of the facility care and Medicaid will provide the remaining expense.

Medicaid Waivers

Medicaid Waivers are intended to provide long-term care for those who are elderly and / or disabled. They are meant to provide these individuals support and services to assist them in aging in their homes and communities, rather than being placed in a nursing facility.

Waivers limit the number of program participants. Once the enrollment cap has been reached, there will be a waitlist for services.

HCBS Elderly Waiver – The Home and Community Based Services Medicaid Waiver is intended to provide in-home services to those seniors who require care equivalent to that which is provided in a nursing facility. Program participants have the option of directing their own care and hiring the care attendant of their choosing, including their own adult children. Other benefits may include attendant care, adult day care, home health aide, nursing care, chore services, home and vehicle modifications and personal emergency response systems.

Health and Disability Waiver – This waiver is intended for physically disabled individuals under the age of 65. Those enrolled in this program are allowed to choose their own attendant care worker,

regardless of whether they live at home or in an assisted living facility or adult foster care home. Supportive benefits include homemaker services, meal delivery, respite care, personal emergency response systems and nutritional counseling.

Traditional Medicaid / Aged Blind and Disabled

This is another entitlement program intended for Aged Blind and Disabled. If one meets the eligibility requirements, services can be received. Assistance is provided at home or in an adult day care.

Eligibility Requirements

- Residency and Citizenship – the applicant must be a U.S. Citizen (or have proper immigration status) and must be a resident of Iowa.
- Age/Disability – the applicant must be age 65 or older, blind, or disabled. The applicant must also meet certain medical requirements consistent with the level of care requested.
- Income Limitations – For Medicaid eligibility purposes, all income that a Medicaid applicant receives is counted, including wages, Social Security benefits, pensions, veteran's benefits, annuities, IRAs, etc. The total income must be less than \$2,382 per month to qualify.
- Asset Limitations – The asset limitations vary based on marital status and if one or both spouses are applying for

assistance. Medicaid divides assets into two categories: Countable and Exempt. Some examples of Countable Assets include: Cash, Checking/Savings/Credit Union Accounts, stocks, bonds, investments, Life Insurance policies, Annuities, and real estate in which one does not reside. Exempt assets are specifically designated under the Medicaid guidelines and will not result in a denial of benefits. Exempt assets include personal belongings, such as clothing, household furnishings, an automobile, an irrevocable funeral contract, burial plots, and one's primary home if the Medicaid applicant lives in the home or expresses "intent" to return to it. If an asset is not listed as exempt, then it must be liquidated and applied toward the costs of long-term care before the applicant can qualify for Medicaid benefits.

When considering assets, it is important to know that Iowa has a Medicaid Look-Back Period of 60 months dated back from the date of the Medicaid Application. Medicaid will verify that no assets have been gifted, transferred, or sold for less than fair market value during the previous 60-month period. If it is found that assets have been disposed of for less than fair market value, a penalty period will be established, and the applicant will be ineligible for Medicaid for the duration of the penalty period.

# Resident Rights

Planning and Implementing Care (cont.):

- The resident has the right to be informed of, and participate in, his or her treatment, including:
- c. The facility shall inform the resident of the right to participate in his or her treatment and shall support the resident in this right. The plan process must:
    - i. Facilitate the inclusion of the resident and/or resident representative
    - ii. Include an assessment of the resident's strength and needs
    - iii. Incorporate the resident's personal and cultural preferences in developing goals of care
  - d. The right to be informed in advance, of the care to be furnished and the type of caregiver or professional that will furnish care.

# DONATIONS

# EVENTIDE FOUNDATION

The Eventide Foundation is a non-profit, tax exempt charitable corporation formed to collect gifts of money and assets to help off-set the expenses of caring for the elderly. Funds collected by the Foundation are used to supplement the increasing costs of personal care and to provide amenities to residents that would not otherwise be available. As you plan your estate and gift endowments, we ask that you consider a gift to the Eventide Foundation. A contribution to the Foundation allows us to provide a fuller quality of life to our residents. The Foundation needs your help to continue the work of Eventide and to ensure that each of the residents can live out their life without loss of dignity or respect. We sincerely appreciated all the gifts that have been designated to the Eventide Foundation! The following list reflects gifts received during the period of December 22, 2020 through March 22, 2021. In publishing a list of so many names, it is possible that we may have misspelled, omitted or otherwise listed your name incorrectly. If so, please notify the Foundation office at (712) 263-3114 so that we can make the necessary corrections. Thank you.

MEMORIALS:

# EVENTIDE FOUNDATION

# ENDOWMENT FUND

When you donate to a permanently endowed fund at a qualified community foundation, you are not only helping your neighbors today — you are building a stronger community tomorrow. And while that in itself is rewarding, with Endow Iowa, you will also get back for giving. You will be eligible to receive a 25% tax credit for each donation, in addition to any federal tax benefits you may qualify for. Contact the Omaha Community Foundation at (800) 794-3458 for more information on how Endow Iowa is helping donors do good works within the community, forever. If you are interested in donating, please make checks payable to the Eventide Foundation Endowment Fund and send them to The Omaha Community Foundation at 302 South 36th Street, Suite 100 in Omaha.
