From the CEO

The Eventide Campus recently held our Annual Meeting which is a great time to reflect on our previous fiscal year.

Yearly Highlights:

Opening of Gracewell, our new nursing facility that replaces the older structure. This project was made possible with generous donors, business equity, and securing USDA funding at 2.5% interest for 40 years. We were able to refinance the Silveridge building loan with these funds as well. We had over 10 different types of audits on campus and each one ending with good results; the time and dedication our team conducts to prepare for such audits is shown in the outcomes. Gracewell remains a 5 STAR as set by CMS (Centers of Medicare and Medicaid); the highest rating available. With fewer and fewer facilities reaching this status throughout the United States, it is certainly something we pride ourselves on. Silveridge remains deficiency free since opening day and tenant satisfaction surveys remain very high. The team at Silveridge continues to work hard to meet the needs of tenants and their families. Implementation started on new HRIS (Human Resource Information Systems) which has been an undertaking in itself. However, we feel this will better serve our team members with resources they need, when they need it. Gracewell decertified down to 84 beds to allow for better staff to resident ratios. As with each segment in our business, we are here for people, not for profit. We continue to work hard to enhance employee benefits and this year employee premium costs remain unchanged as Eventide carried the increase on

plans. Eventide adjusted wage scales for a number of positions with more on the horizon. We increased the employer match on the 401 (k) from 3% to 4% which is above the average match. Our year was also spent dealing with COVID-19 regulations such as vaccine mandate, numerous required reporting, screening visitors/staff, frequent testing, etc. It has been a challenging ride at times but the Eventide Campus Team remain dedicated to fulfilling this role in caring for the aging population. Census in each building certainly is a huge factor financially. The number of admissions in each building increased this year over the past; likely the pandemic played a part in this as the world was 'somewhat' back to normal. We are slowly rebounding back to pre-pandemic levels.

Looking ahead we certainly need to advocate for our industry in areas of appropriate reimbursement by Medicaid and Medicare, COVID-19 Relief, and easing some regulatory requirements. A strong focus within our campus this year will be employee retention. We have an outstanding team in each building which we must strive hard to retain. A large aspect of this will be from feedback from team members and finding a balance to accommodate the needs of everyone involved. Right alongside that focus is resident & tenant satisfaction. It is all part of our mission. Our Mission Statement we want to focus our daily decisions on is: We strive to be the Health Care Provider of Choice & the Employer of Choice by understanding & exceeding the expectations of our Residents, Families & Employees.

Graduates

Our graduates were on the Eventide campus for a short stay for rehabilitation. It was a pleasure to serve you!

Save the Date: Giving Tuesday Tuesday, November 29, 2022

Everyone has heard of Black Friday, and Cyber Monday is increasing in popularity, but have you heard of Giving Tuesday? Giving Tuesday is a generosity movement unleashing the power of people and organizations to transform their communities and the world. Whether it is making someone smile, helping a neighbor out, showing up for a cause we care about, or financially supporting those who need our help, every act of generosity counts, and everyone has something to give.

Eventide Foundation is participating in Giving Tuesday, and we invite you to consider our community on the biggest day to give back! Make sure to save the date, Tuesday, November 29th, and stay tuned for more information on our website, eventidehome.com, and facebook page, Eventide A Senior Living Community.

Gracewell Residents Leaving Facility with Family or Friends

For resident safety, any time a resident leaves the building, the charge nurse must be notified. If you are planning to take a resident out of the building, you and/or the resident must first inform the nurse on the household. At that time, you will sign the resident out with the nurse and any other instructions that might be needed are given at this time. When returning with the resident, you must check back in with the nurse on duty to let them know that the resident has returned. We can't stress enough that the process of resident check in and out is a must. Federal/State regulations defines an elopement as the act of a resident leaving the facility without staff knowledge. Because of this, we feel it is important to educate residents, families, and community members on the process at Gracewell.

Over \$9,000 Raised for the Grow Bold With Us Campaign

We cannot say thank you enough to everyone that took part in our fourth annual golf tournament - the participants the sponsors, the donors, and the employees. With all the generosity received, we raised over \$9,000 to go towards the Grow Bold With Us campaign! None of this could be possible without the help of the Golf Course and our volunteers, Shannon Cose, Paul Outhouse, Lila Bubke, Robin Schiltz, Pat Schechinger and Kris Schultz.

Medicare Annual Open Enrollment

Submitted by Tina Thompson,
Eventide Campus Office Manager

Medicare's annual election period runs from October 15 through December 7 each year. During this annual window, Medicare plan enrollees can reevaluate their Medicare coverage and make changes or purchase new policies if they wish to do so. During this open enrollment period you can choose to:

- Do nothing and your current Medicare coverage will automatically renew in 2023
- Enroll in, leave, or change your Medicare Part D drug plan
- Switch from Traditional Medicare to a Medicare Advantage plan
- Switch from a Medicare Advantage plan back to Traditional Medicare
- Change from one Medicare Advantage Plan to another

Please note that seniors who live in a Nursing Facility can make these changes at anytime if they are unhappy with their current selection.

Today seniors have more options than ever before. There are several things to consider when choosing the right Medicare plan for you and your pocketbook. Aside from the premiums, there are deductibles, coinsurance, and copayments to consider in calculating your total Medicare spending. Other issues like prescription drug coverage, and provider networks may also factor into your choice. Here's a quick overview of your Medicare options.

Original Medicare

Under Original Medicare your benefits are paid directly from the federal government. Benefits are separated into two parts, Part A and Part B. Part A covers your inpatient care and Part B covers your outpatient care. Part B also covers certain Medical equipment such as wheelchairs and home oxygen supplies. You do not have to pay a premium for Part A coverage if you have a qualifying work history. The Part B premiums are set each year by the federal government.

With Original Medicare the benefits are exactly the same for every person who enrolls. There are no pre-existing condition limitations or waiting periods. There are no networks, you can use any healthcare provider in the country who accepts Medicare. You will pay the same amount for covered services from any participating provider that you choose.

Original Medicare does not offer prescription drug coverage. Medicare enrollees can purchase Part D Prescription Drug Plans that are offered by private insurance companies. Your insurance agent or your pharmacy are good resources in helping choose the right plan for your prescription drug needs.

One thing to keep in mind if you choose Original Medicare benefits is that there is no out-of-pocket maximum each year. For this reason, most people who choose Original Medicare will also buy a Medigap plan. Medigap plans pick up where Medicare leaves off. There are many options for Medigap plans. Some plans even cover all deductibles and coinsurance, leaving you with no out-of-pocket for your medical services.

Most people who choose Original Medicare plus a Medigap plan value freedom of access to Medicare's entire network of providers. There is no need to choose a primary care provider for this plan and you do not need a referral to see a specialist.

Another advantage to choosing Original Medicare and a Medigap Plan is because your out-of-pocket costs are predictable. You can enjoy the convenience

and peace of mind that comes from knowing exactly how much you will spend on a hospital stay or chronic illness.

One major thing to take into consideration is that with Original Medicare you and your physician have the freedom to choose your plan of care. There is no need for prior authorization for many medical services and your physician will be able to decide when to start and stop treatment. Medicare Advantage Plans require prior authorization for many medical services and the decision for coverage for those services is made by a professional hired by the insurance company and not your primary care physician.

Medicare Advantage

Medicare Advantage is a popular alternative to Original Medicare. Also known as Medicare Part C, Medicare Advantage is technically still a part of Medicare, but it is not sold or managed by the federal government. The government sets rules and guidelines, but private insurance companies sell and administer these plans. Advantage Plans offer the same benefits as Original Medicare but many go beyond and offer other coverage like routine vision and dental care to their members. Medicare Advantage plans will have different networks and copays. It is very easy to obtain a Medicare Advantage plan as long as you live in the plan's service area and are enrolled in Part A and Part B.

The two most popular Medicare Advantage Plans are HMO's and PPO's. Health Maintenance Organizations (HMOs) have closed provider networks and you generally must get all but emergency care within your plan's network. Your plan may require you to get a referral for specialist care and prior authorization for certain tests and procedures. Preferred Provider Organizations (PPOs) plans also have provider networks, but you can still use any provider that accepts Medicare. You'll pay a lot less out-of-pocket if you stay in your network, however.

Each Medicare Advantage plan can choose what to charge for premiums, deductibles, and copayment amounts. In some areas there are "zero premium" plans available, that don't add additional premiums above what you are already paying for Part B. Deductibles may apply to inpatient services, outpatient services or Part D. Generally, you'll have lower premiums if your plan has a higher deductible. Medicare Advantage enrollees usually pay a copayment when they receive services and there is often a tiered copayment system for prescription drugs.

There is one very important difference between Original Medicare and Medicare Advantage. Medicare Advantage plans have a maximum out-of-pocket limit for enrollees. Once you hit the maximum, you pay nothing for covered healthcare for the rest of that calendar year. Medicare Advantage plans often appeal to people who have low medical usage. If you rarely go to the doctor, then the cheaper premiums on Medicare Advantage will be attractive to you. You can pay for your services as you use

Both types of coverage offer reputable Medicare insurance. You just need to consider the total costs (premium, deductible, coinsurance, copayment) and your healthcare needs to get a clear picture of which plan is best for you. For assistance in choosing the best plan for your needs, reach out to the local SHIP (Seniors' Health Insurance Information Program) Counselor by calling 712.265.2509.

Resources to Support the Elderly in Crawford County

Submitted by Morgan Saunders,
Gracewell Social Worker

Crawford County has several resources out there to help your loved one remain in their homes, but also provide caregivers with a break. I want to highlight just a few of our many resources, but please feel free to reach out to me, Morgan Saunders, Social Worker at Gracewell, if you are looking for other services. I can be reached at 712-263-3114, ext. 238.

- Eventide Campus Monthly Alzheimer's Support Group meets on the second Tuesday of the month at 1:30pm at Gracewell. This is open to anyone helping a loved one battling Alzheimer's, Dementia, and aging. Call Gracewell with questions at 712-263-3114.

- CoCares is a non-medical helping service for the elderly and for caregiver relief. It can be visiting, hobby sharing, or practical helping like meal preparation, errands, or cleaning. It is fee based, but the individual fees are offset with charitable donations received for the program! Crossroads can be reached at 712-393-4673 or info@crossroadsofcrawfordcounty.org. They also provide another service for unplanned pregnancy and parenting.

- Angels Care Home Health is a home health care company serving Crawford County and 5 surrounding counties. They are 100% Medicare-covered but also work with the VA and take some insurances. Angels have several specialty programs including Alzheimer's and Dementia, a pre-palliative program, and Behavioral Health to name just a few. You can reach Angels Care Home Health at 712-263-2266 or Karen at 712-269-4317.

- Veteran's Assistance- A Veteran, or a surviving spouse of a Veteran, who served a minimum of 90 days of honorable service with one day in a wartime period may be eligible for VA pension benefits. There are income and asset limitations. Louise Galbraith, Crawford County Veterans Affairs Service Officer, can explain the process in more detail, and will complete any and all paperwork. This benefit is for nursing home and assisted living residents. Louise can be reached at (712) 263-2720 or stop and see her on the first floor of the Crawford County Courthouse.

- A Caregiver Support Group was formed by health professionals in the last several months. The group meets the second Thursday of each month at the Crawford County Memorial Hospital at 3:00pm. A main goal of the group is help with the isolation and stress that caregiving can bring. Each month there is a short speaker on a topic that the group is interested in, and plenty of time for sharing.

- Crawford County Community Health provide in-home medical services to the elderly population to help them remain home-bound if possible. Hospice services are available to those with a terminal diagnosis and can be provided in the home or in a facility. Both services can be reached at 712-263-3303, ext. 9. Hospice and Home Health are both funded by Medicare and usually have minimal to no copay for the services.

Hello Everyone!

Submitted by Robin Schiltz,
Gracewell Activity Director

My, oh my, where has this year gone? It is getting to be that time again, when we have to put away our summer shorts and flipflops, and get out our sweatshirts and boots.

We were very fortunate to celebrate the end of summer with an outdoor concert by Rick Powell and Mike Franklin. Our Residents enjoyed not only the great music, but also the beautiful evening weather! We all had lots of laughs, singing, clapping, and waving of arms! We even spied a few passersby stopping in the street to enjoy the music!

Time just flies, and soon we will be celebrating the holidays! Plans for Halloween include a pumpkin painting contest between households, dressing up in costumes, Zion 1st graders visiting, and our good friend Craig Florian "Elvis" will enter the building!

November comes with all things Turkey and Pilgrims. The ideas are still rolling in but, a turkey shoot and harvest supper are top on our list!

We are all anticipating our first Christmas at Gracewell, and I cannot wait to decorate! Please contact me if you have a group of carolers that would like to stroll the halls! We'll have entertainment for our Residents, Christmas games, Christmas singalongs, stories, and perhaps even a Bake-Off! And you know it... We will finish up the month with a fantastic Christmas Party! Last year, we were very blessed with Crawford County Memorial Hospital, United Church of Christ, and Gracewell staff, all providing gifts to make sure each Resident had something special.

Speaking of gifts, here are some great ideas: Gripper socks/slippers, suncatchers to suction to their windows, treats with diets in mind, beauty shop gift certificates, newspaper subscriptions, perhaps a shepherds hook and bird feeder, or a good book. These are just a few ideas for things that are commonly requested during the year!

As always, Gracewell wants to thank each and every one of you who have volunteered your time to help us out, in one way or another. Personally, I want to thank those of you who have been patient with me when cancelling and rescheduling due to that '5 letter C word'. We have a fantastic community, and we always want you to know how very special you are to us!

Have a Happy Holidays!

Joyful Moments at Silveridge Assisted Living

Submitted by Kara Webb,
Director of Assisted Living

National Assisted Living week was celebrated September 11th-17th. The week provides opportunities for tenants, staff, volunteers, families and the community to recognize the role of assisted living in caring for seniors and individuals with disabilities. This year's theme was 'Joyful Moments' which encouraged assisted living communities to come together and celebrate joyful moments and special memories, especially after the challenges of the past two years. It is important to take the time to find happiness, joy, and fulfillment in life's special moments.

At Silveridge, we filled the week with activities and opportunities for tenants and staff to gather and be recognized. Some of these things included massages and a lunch for staff, convertible rides, a game of cornhole, root beer floats with

our friends at St. Croix, and a BBQ meal for tenants and employees. It was a wonderful week of fellowship!

If you have visited Silveridge lately, you might have noticed we are making efforts to get things back to 'normal' in regard to the pandemic. We have removed our isolation booth from the corner of the dining room, taken down the barriers on the front desk, removed screenings from the entry ways and unlocked the doors. While masks are still required for visitors and staff, these are all refreshing steps taken in a direction we have been longing for.

As we look into the months ahead, we are excited. We anticipate the seasonal changes, football, harvest and ultimately the holidays. I encourage you to take the time to find joy and happiness during these upcoming times. Set aside some time to visit with loved ones and create your own joyful moments.

Eventide Campus team members spent time with Silveridge Tenants celebrating Assisted Living Week! There were a lot of smiles, laughter, and even a bit of friendly competition.

Gifting Reminder

As the holidays approach we would like to remind everyone to please bring any Gracewell Resident gifts or new items for residents to Lynette Croghan at the Reception Desk. Items that are laundered will be labeled with the resident's name, and anything of value (example: technology) will be added to the resident's inventory list. Thank you for helping us keep each resident's items organized and accounted for!

The Facts of Life... at Heritage Heights

Submitted by Shannon Cose, Realife Cooperative & Heritage Heights Resident Services Manager

I get asked questions all of the time about what Heritage Heights is. I find that many people do not have a clear understanding of what we really are, and who qualifies to live here. I thought I would highlight a few of the key aspects about our wonderful building so you could see for yourself if you meet the requirements.

We would love to have you join us!

- Heritage Heights consists of 35 affordable apartments that are subsidized by HUD (Housing and Urban Development). Apartments consists of studios & 1 bedroom units.

- No one pays the same amount of rent, as it based on 30% of your adjusted gross income. To get to a person's adjusted gross income, we are able to deduct certain expenses such as qualifying medical insurance premiums and healthcare related costs.

- To qualify to live here, a single person's income must be below \$27,800/year or below \$31,750/year for a couple. You may also have assets.

- Many who are receiving social security as their only

form of income could qualify.

- The head of household must be 62 years of age or older.
- Handicapped individuals also qualify if they are over the age of 18 and meet the requirements for this special designation.
- Lunch & supper meals can be provided by Gracewell at a low cost.
- Transportation to the grocery store is provided once every two weeks.
- Maintenance free living. Maintenance on call 24 hours.
- All utilities are included, with tenant being responsible for telephone, cable and internet.
- Laundry facilities on site
- Fitness Room
- Party room for family gatherings
- Quiet & Safe Environment

If you would like a tour or to fill out an application, please feel free to call Shannon Cose at (712) 263-6631 Monday through Friday from Noon to 4:30pm. I would be happy to answer any questions.

Connie Ellis, Gracewell Activity Assistant volunteered her time to take resident David Moen had to the Wesco Fun Run! They conquered the bubbles, slime, neon paint, water and more.

DONATIONS EVENTIDE FOUNDATION

The Eventide Foundation is a non-profit, tax-exempt charitable corporation formed to collect gifts of money and assets to help off-set the expenses of caring for the elderly. Funds collected by the Foundation are used to supplement the increasing costs of personal care and to provide amenities to residents that would not otherwise be available. As you plan your estate and gift endowments, we ask that you consider a gift to the Eventide Foundation. A contribution to the Foundation allows us to provide a fuller quality of life to our residents. The Foundation needs your help to continue the work of the Eventide Campus and to ensure that each of the residents can live out their life without loss of dignity or respect. We sincerely appreciated all the gifts that have been designated to the Eventide Foundation! The following list reflects gifts received during the period of June 25, 2022 through September 25, 2022.

EVENTIDE FOUNDATION ENDOWMENT FUND

When you donate to a permanently endowed fund at a qualified community foundation, you are not only helping your neighbors today — you are building a stronger community tomorrow. And while that in itself is rewarding, with Endow Iowa, you will also get back for giving. You will be eligible to receive a 25% tax credit for each donation, in addition to any federal tax benefits you may qualify for. Contact the Omaha Community Foundation at (800) 794-3458 for more information on how Endow Iowa is helping donors do good works within the community, forever. If you are interested in donating, please make checks payable to the Eventide Foundation Endowment Fund and send them to The Omaha Community Foundation at 302 South 36th Street, Suite 100 in Omaha.

In publishing a list of so many names, it is possible that we may have misspelled, omitted or otherwise listed your name incorrectly. If so, please notify the Christine Kragel in the Foundation Office at (712) 263-3114, ext. 240 so that we can make the necessary corrections. Thank you.
