

Celebrating 60 Years of Service

Eventide Senior Living Community celebrated serving the senior population for 60 years this April! Since 1963, Eventide has been a leader in providing senior care and housing services to the Crawford County and surrounding communities.

While much has changed since 1963, our focus towards our nonprofit mission remains constant. Many who are involved with Eventide quickly realize the nonprofit difference where the bottom line is reinvested into services for residents, families and employees.

We have reinvested in our campus over the last six decades growing from one building to four as well as establishing the Eventide Foundation. The housing services consist of Gracewell Nursing Facility, Silveridge Assisted Living, Realife Cooperative, and Heritage Heights. With all of these accommodations, we are able to provide services to nearly 200 people every day. Our campus provides lifestyle choices for seniors, as the area's only continuum care community.

As we reflect back, many members in our community have played a significant role in the success of Eventide. We are fortunate to work with healthcare providers, local community leaders, team members, and volunteers who have given guidance and support through the years. We work together for a common purpose, so Eventide Senior Living can continue as a leader and resource in the region for comprehensive aging services.

Our Mission: We strive to be the Health Care Provider of Choice and the Employer of Choice by understanding and exceeding the expectations of our Residents, Families, and Employees.
